Deportivo's Portuguese players

Jose Castro (born January 13, 1983)

Former Academica defender Jose Castro has been plying his trade in Spain's La Liga since 2006, first with Atletico Madrid and now with 2000 champions Deportivo La Coruna. Good on the ball and able to read the game well, the defender, who is known as Ze Castro, will be hoping to use his La Liga experience to catch the eye of Portugal boss Carlos Queiroz and stake a claim for a place in the national squad on a regular basis.
